

Familiafeliz Info Day

General Information for guests of our information day
and
a short Howto

„arrive at the home unit“

Casa del Dragon (ESP)

General

Thank you for your interest in our community. To handle more than 100 requests and guest per year we prepared this short howto to make it easy and smart for both sides.

If you applied for joining one information day and you get the link to this pdf including a confirmation from us, all is fine. **If you just downloaded this pdf, it is highly recommended to apply FIRST for joining an information day before you come around...**

...please use our form online **<http://familiafeliz.eu/apply>**

We organized between 1-3 information days per year and per home unit. If you are not able to join us on one of the events we published actually on our homepage dont worry, have a look twice later in the year or apply for joining our mailing list and you get information about new events and projects.

General structure of our information days

1. Welcome
2. Short overview about the agenda of the day
3. „Introduce yourself“- some words from every guest and from us
4. Presentation of familiafeliz and some important technical terms (like charter, home unit, working unit, member) in a dialoge (every question is welcome!)
5. Break and time to talk one by one
6. Presentation „how to become a member – step by step“ and other forms of co-operation and co-laboration in a dialoge (every question is welcome!)
7. Break and time to talk one by one
8. Questions and answers – open dialoge between all in plenum

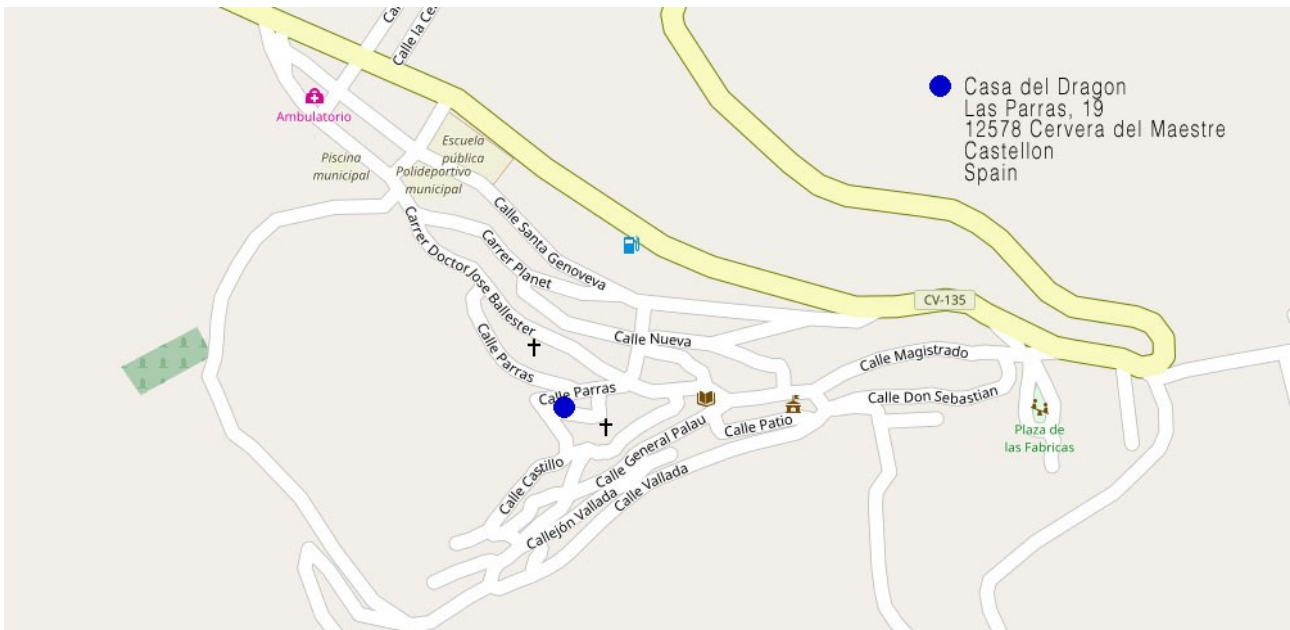

Normally this agneda needs 3,5 – 4 hours. So please calculate 4 hours after we started...

Maybe you have a long travel to arrive, you could apply also for a short accommodation over night, best case is to come the evening before and leave in ein evening of the information day. Depending on the location we could host between 4 and 12 people at the same time.

Children are welcome ! If you have children it is a very good idea to take them with you.
